This book, readers, is published to
tell and show you some of the
many things we are doing in this school.

This is the time of the year when
high school pupils all over our
country will be taking that giant step.

It is the aim of this book to inspire
many, to challenge others, and to many
it will be a memento of laborious
jovial days spent here.

OUR HIGH SCHOOL

Alma Mater

Let our voices loudly ringing
Echo far and near,
Songs of praise thy children singing
To thy memory dear.

All the days we've been together
Fondly we recall,
Days of fair and stormy weather
Thou has gladden'd all.

Years may dim our recollection,
Time its change may bring,
Still thy name in fond affection
Ever more we sing.

Chorus

Alma Mater, Alma Mater!
Tender, fair, and true,
Britton High with love unfailing
We owe our love to you.

PRINCIPAL'S MESSAGE

We live in a world of bewildering potentialities for good or for evil. There are means and resources available by which we may build a more satisfying life. Democratic school activities train young people to take part in what they desire and develop within them qualities of initiative, resourcefulness and independence.

This yearbook is an indication of the wealth of creative abilities found among the students of Eula D. Britton High School. Their splendid achievement is to be congratulated.
